

Do 31.1

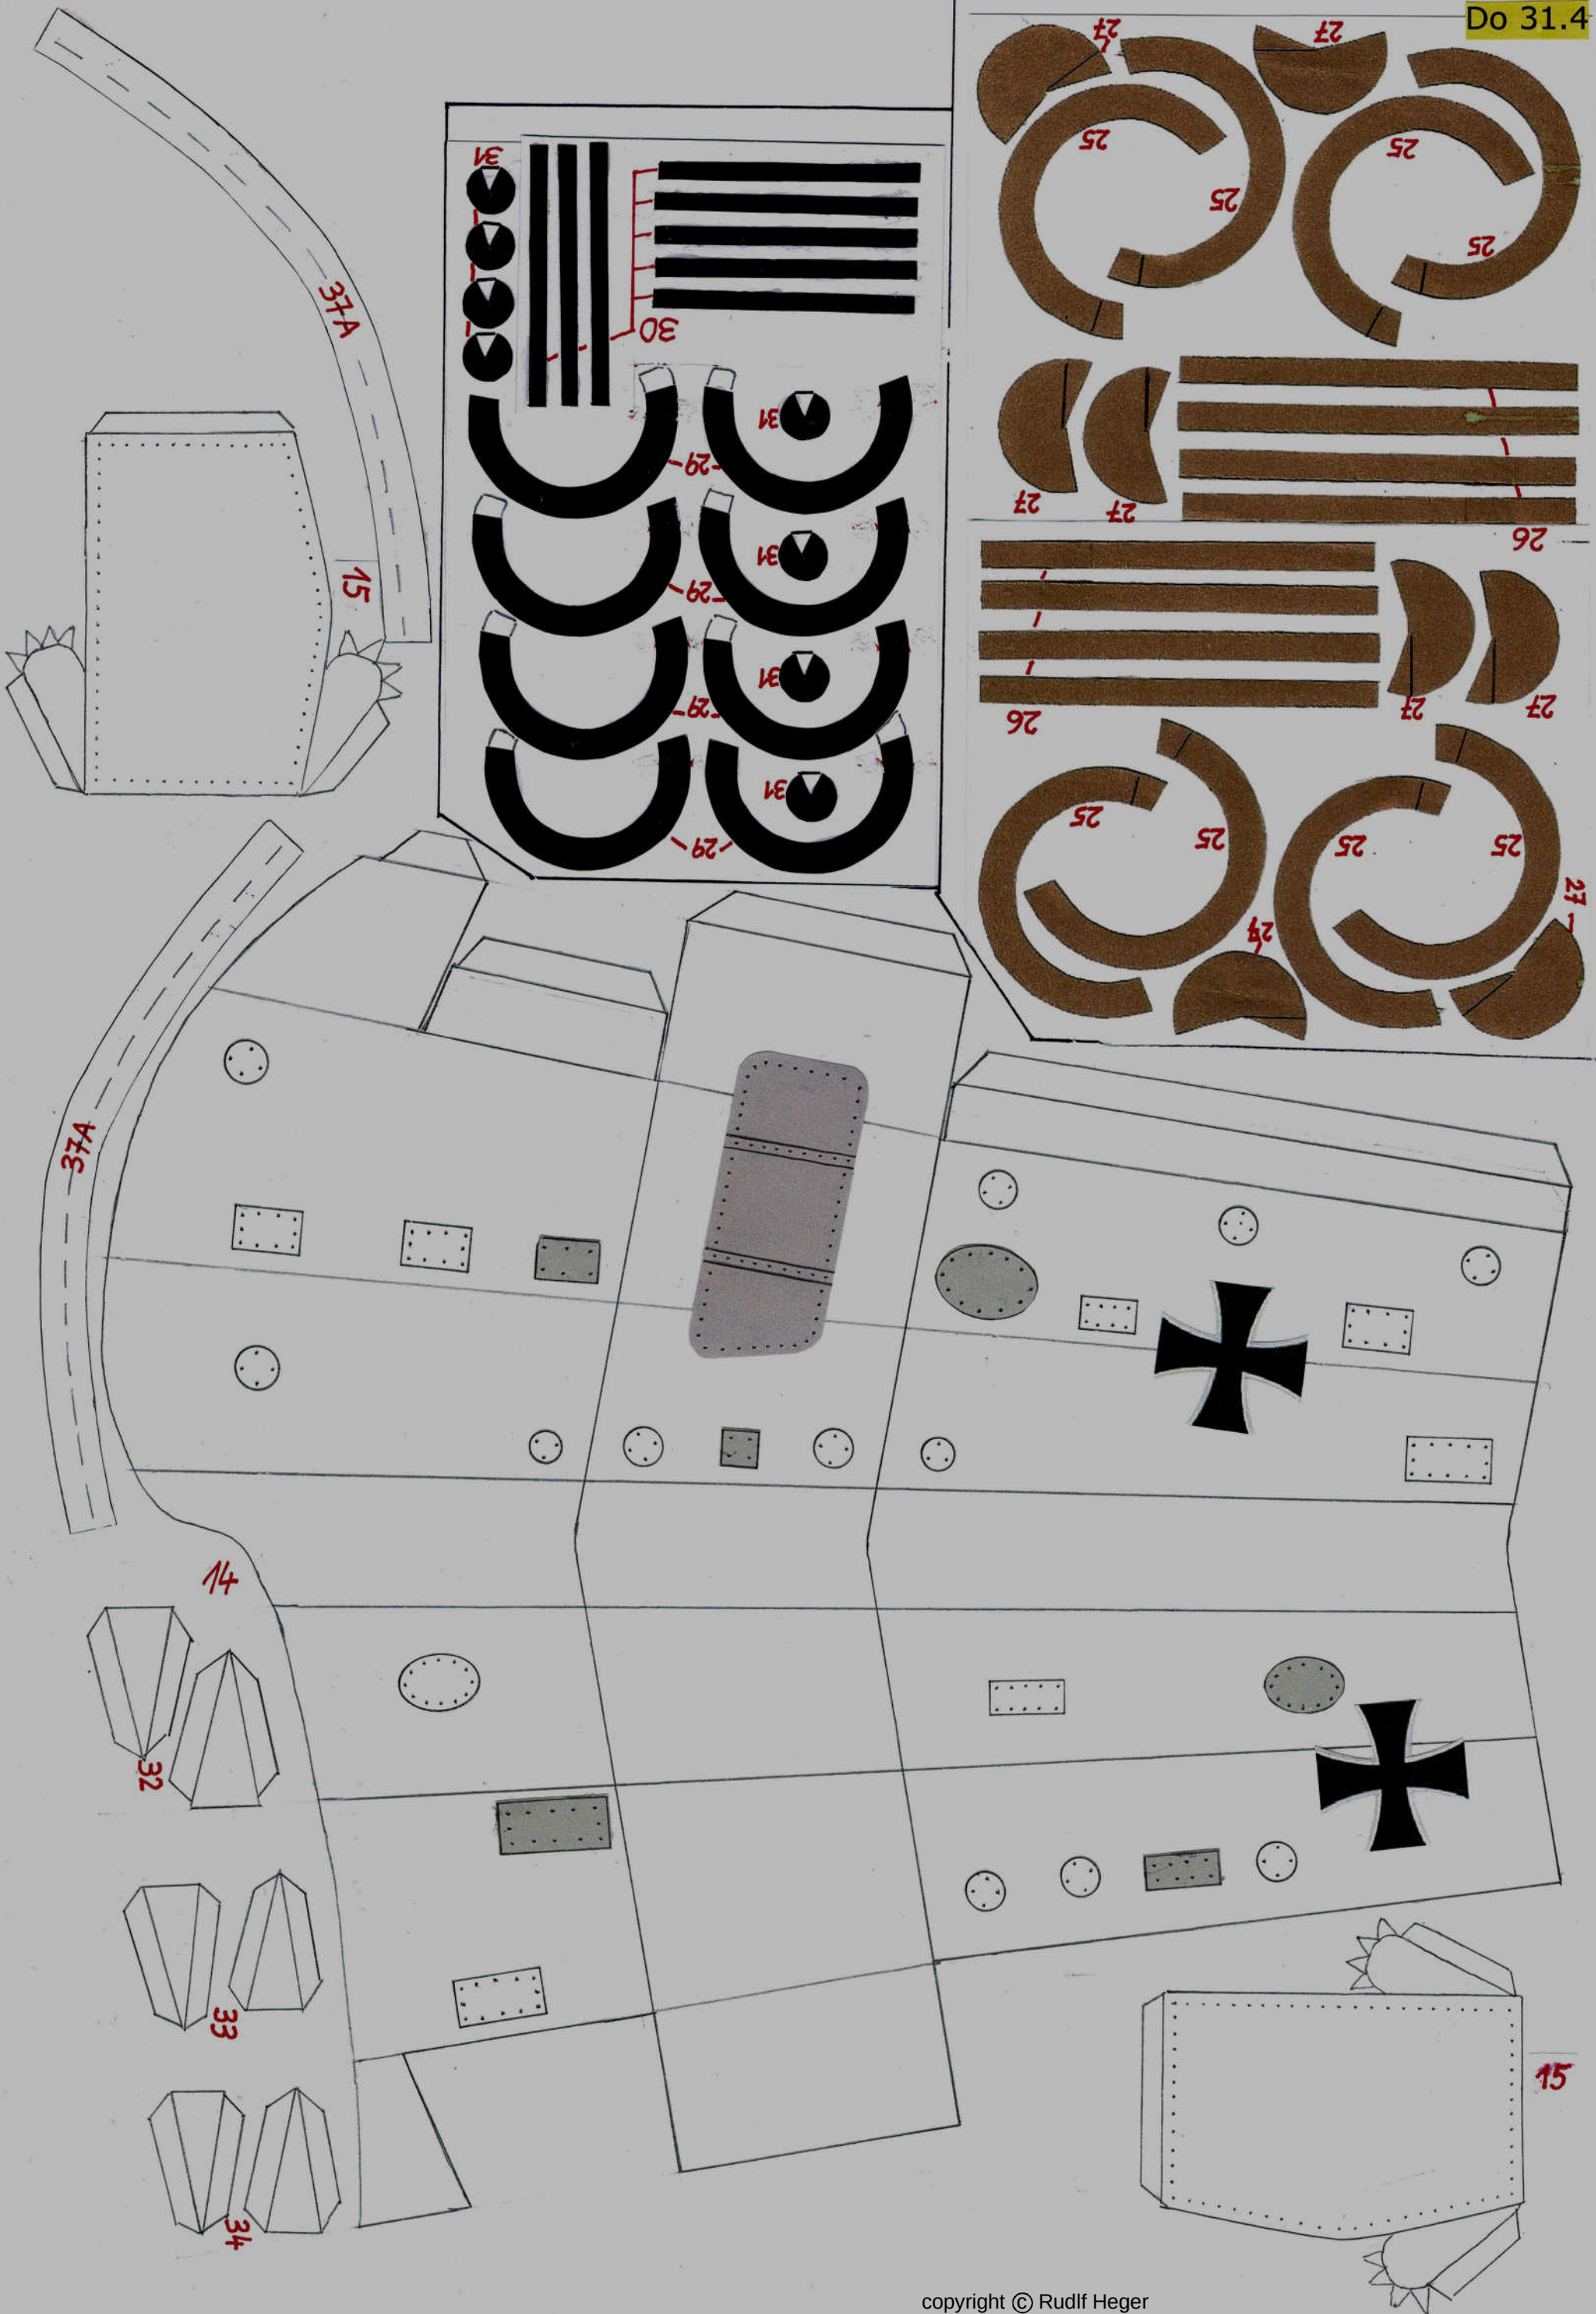

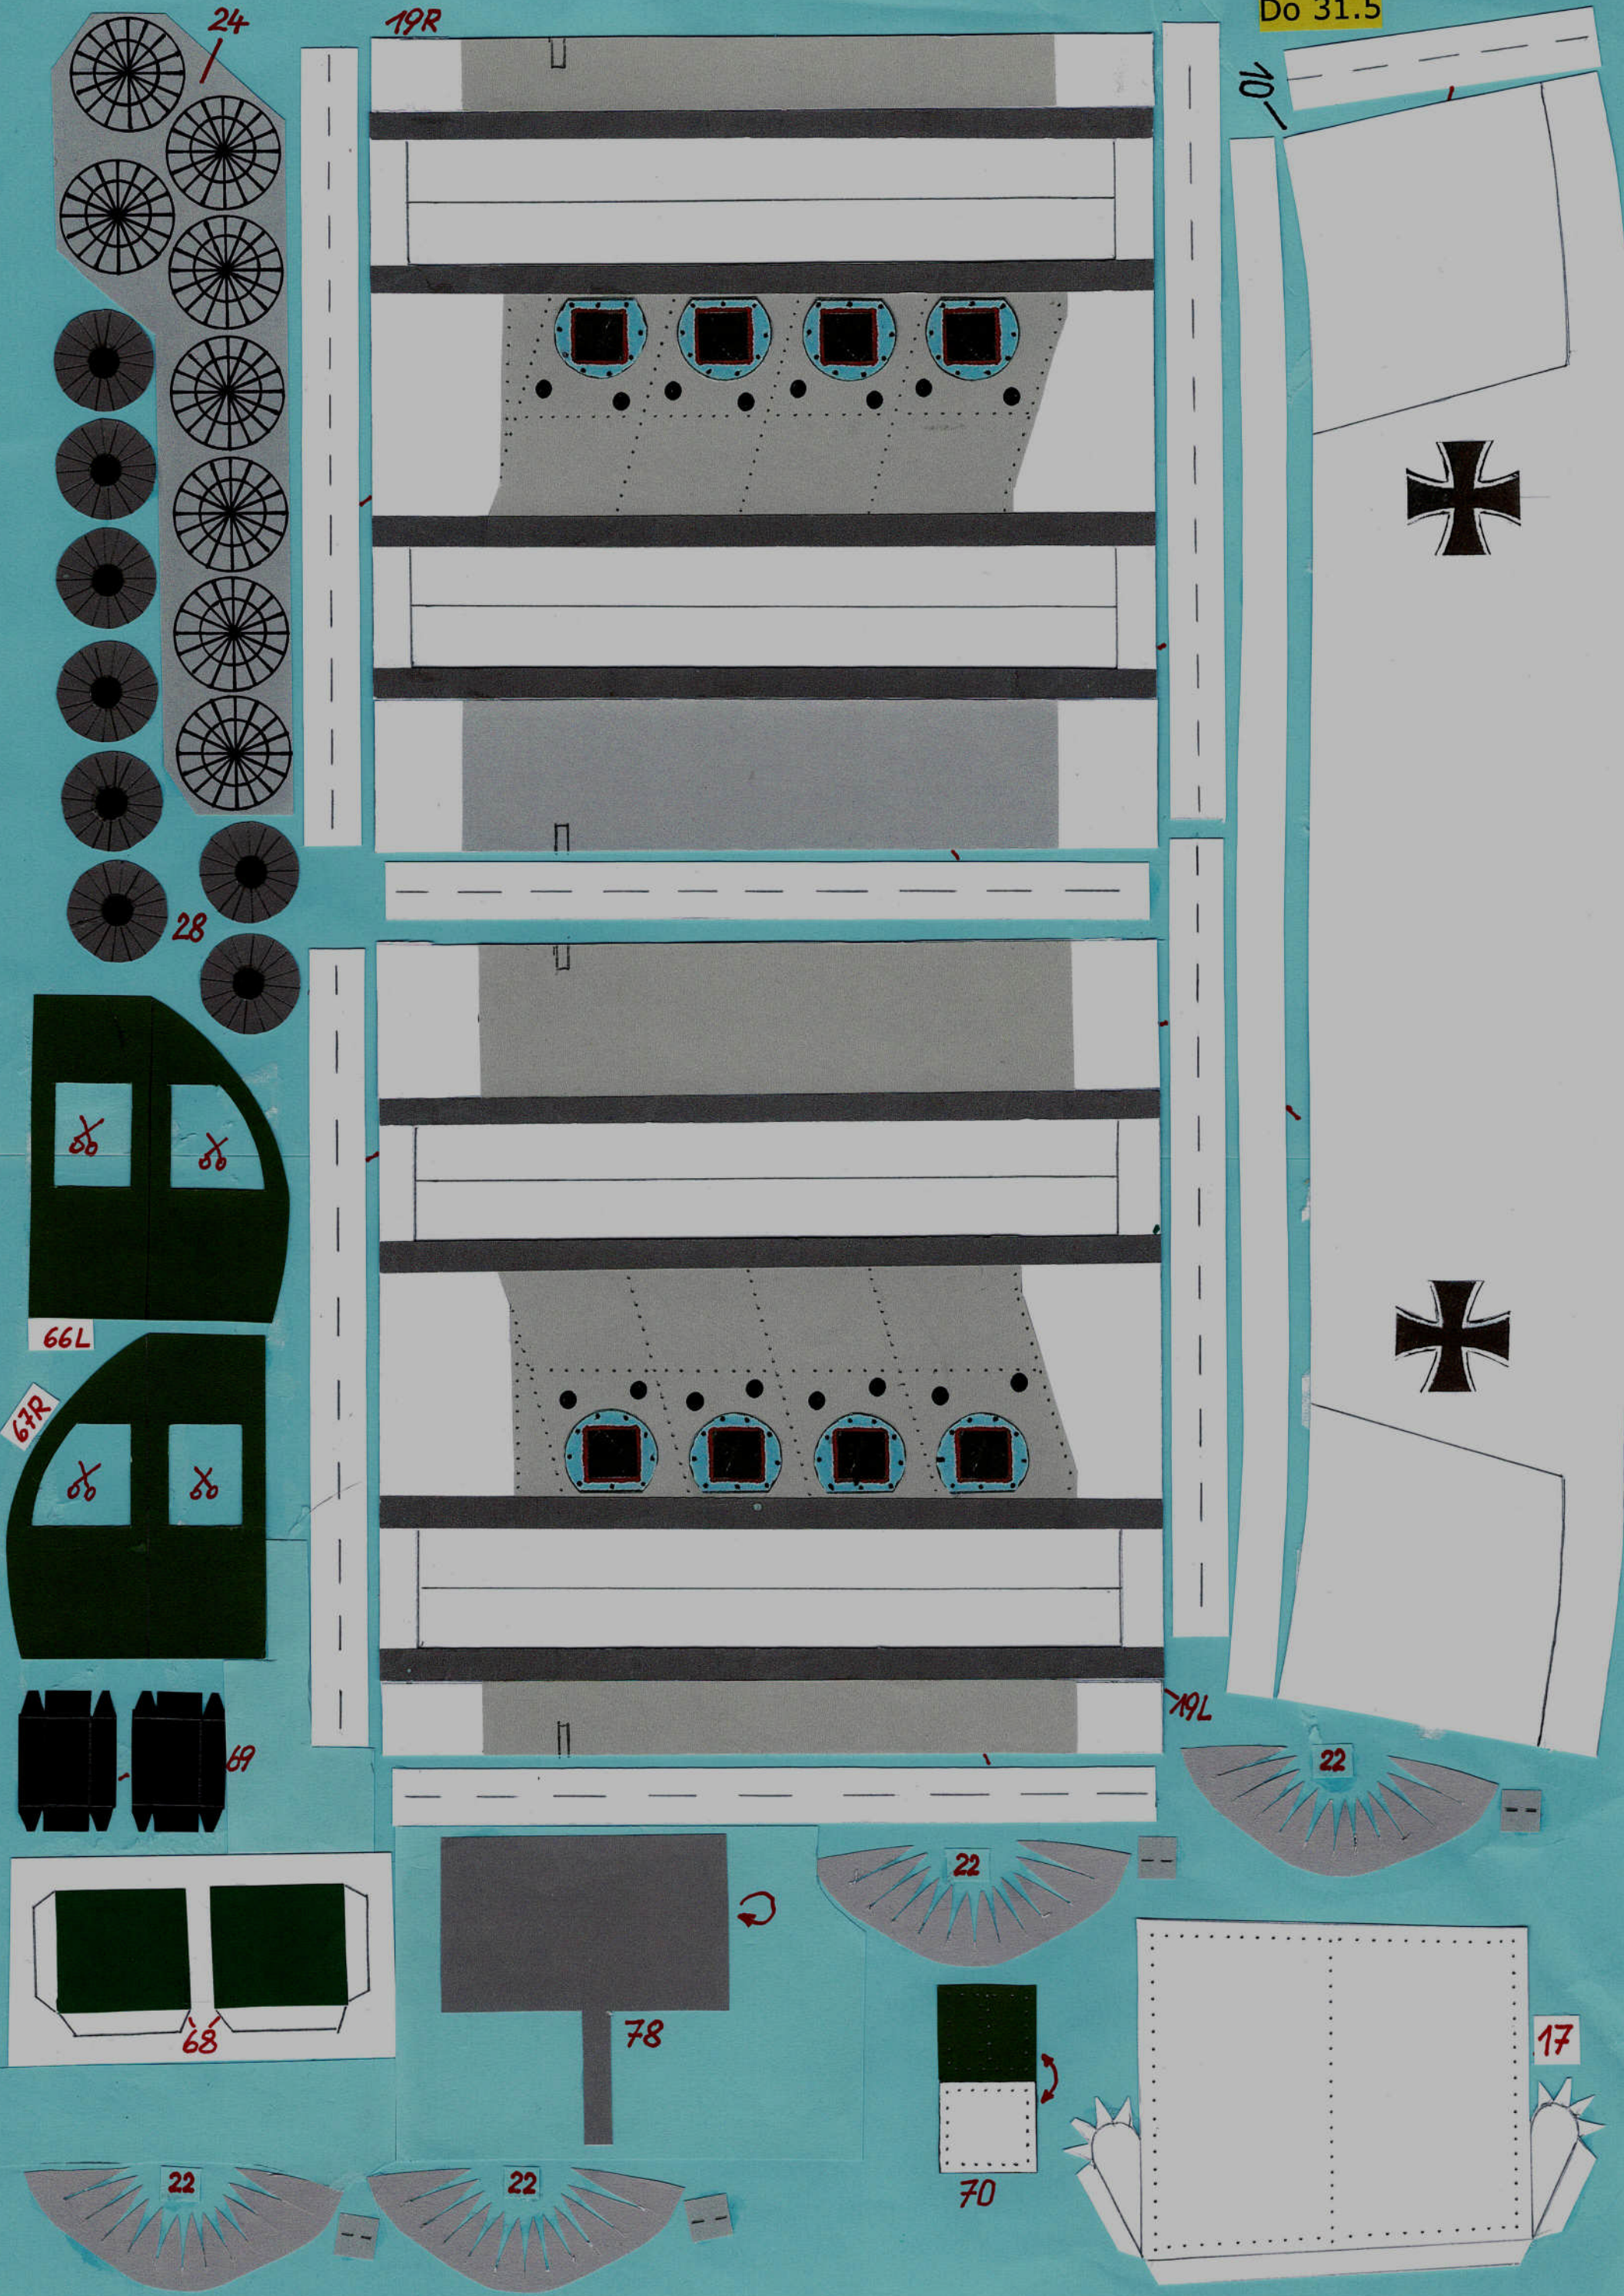

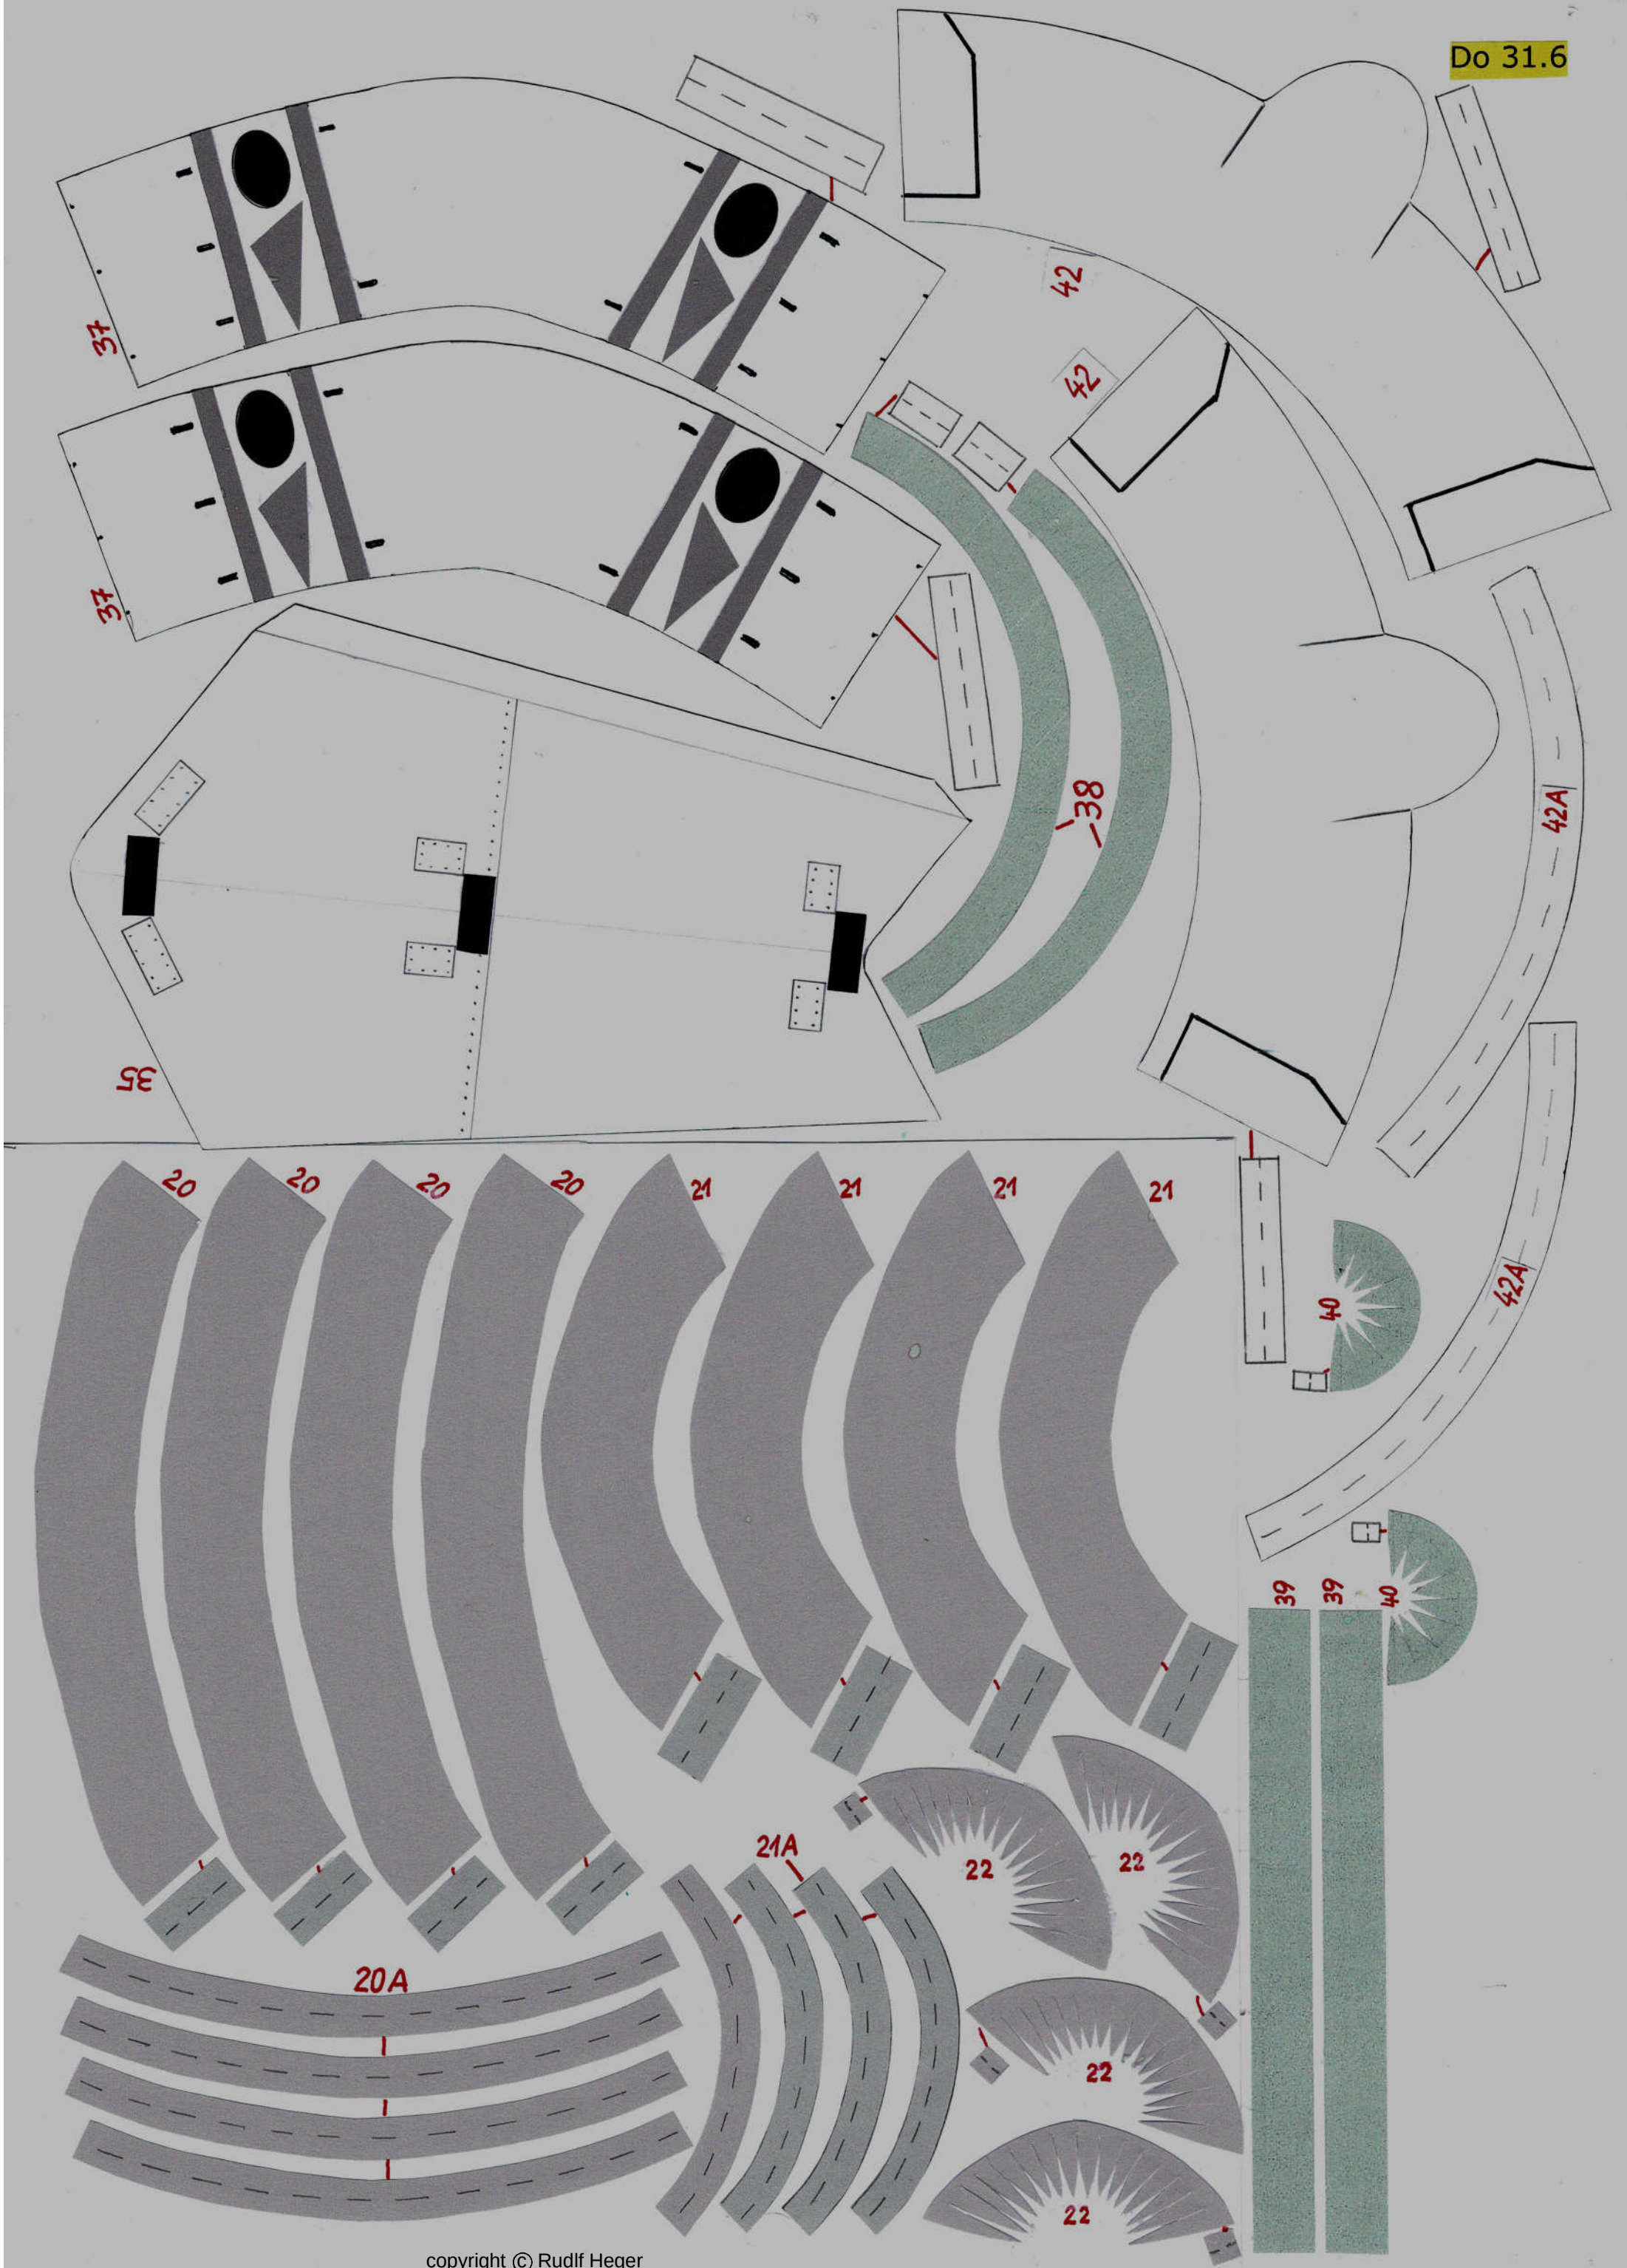

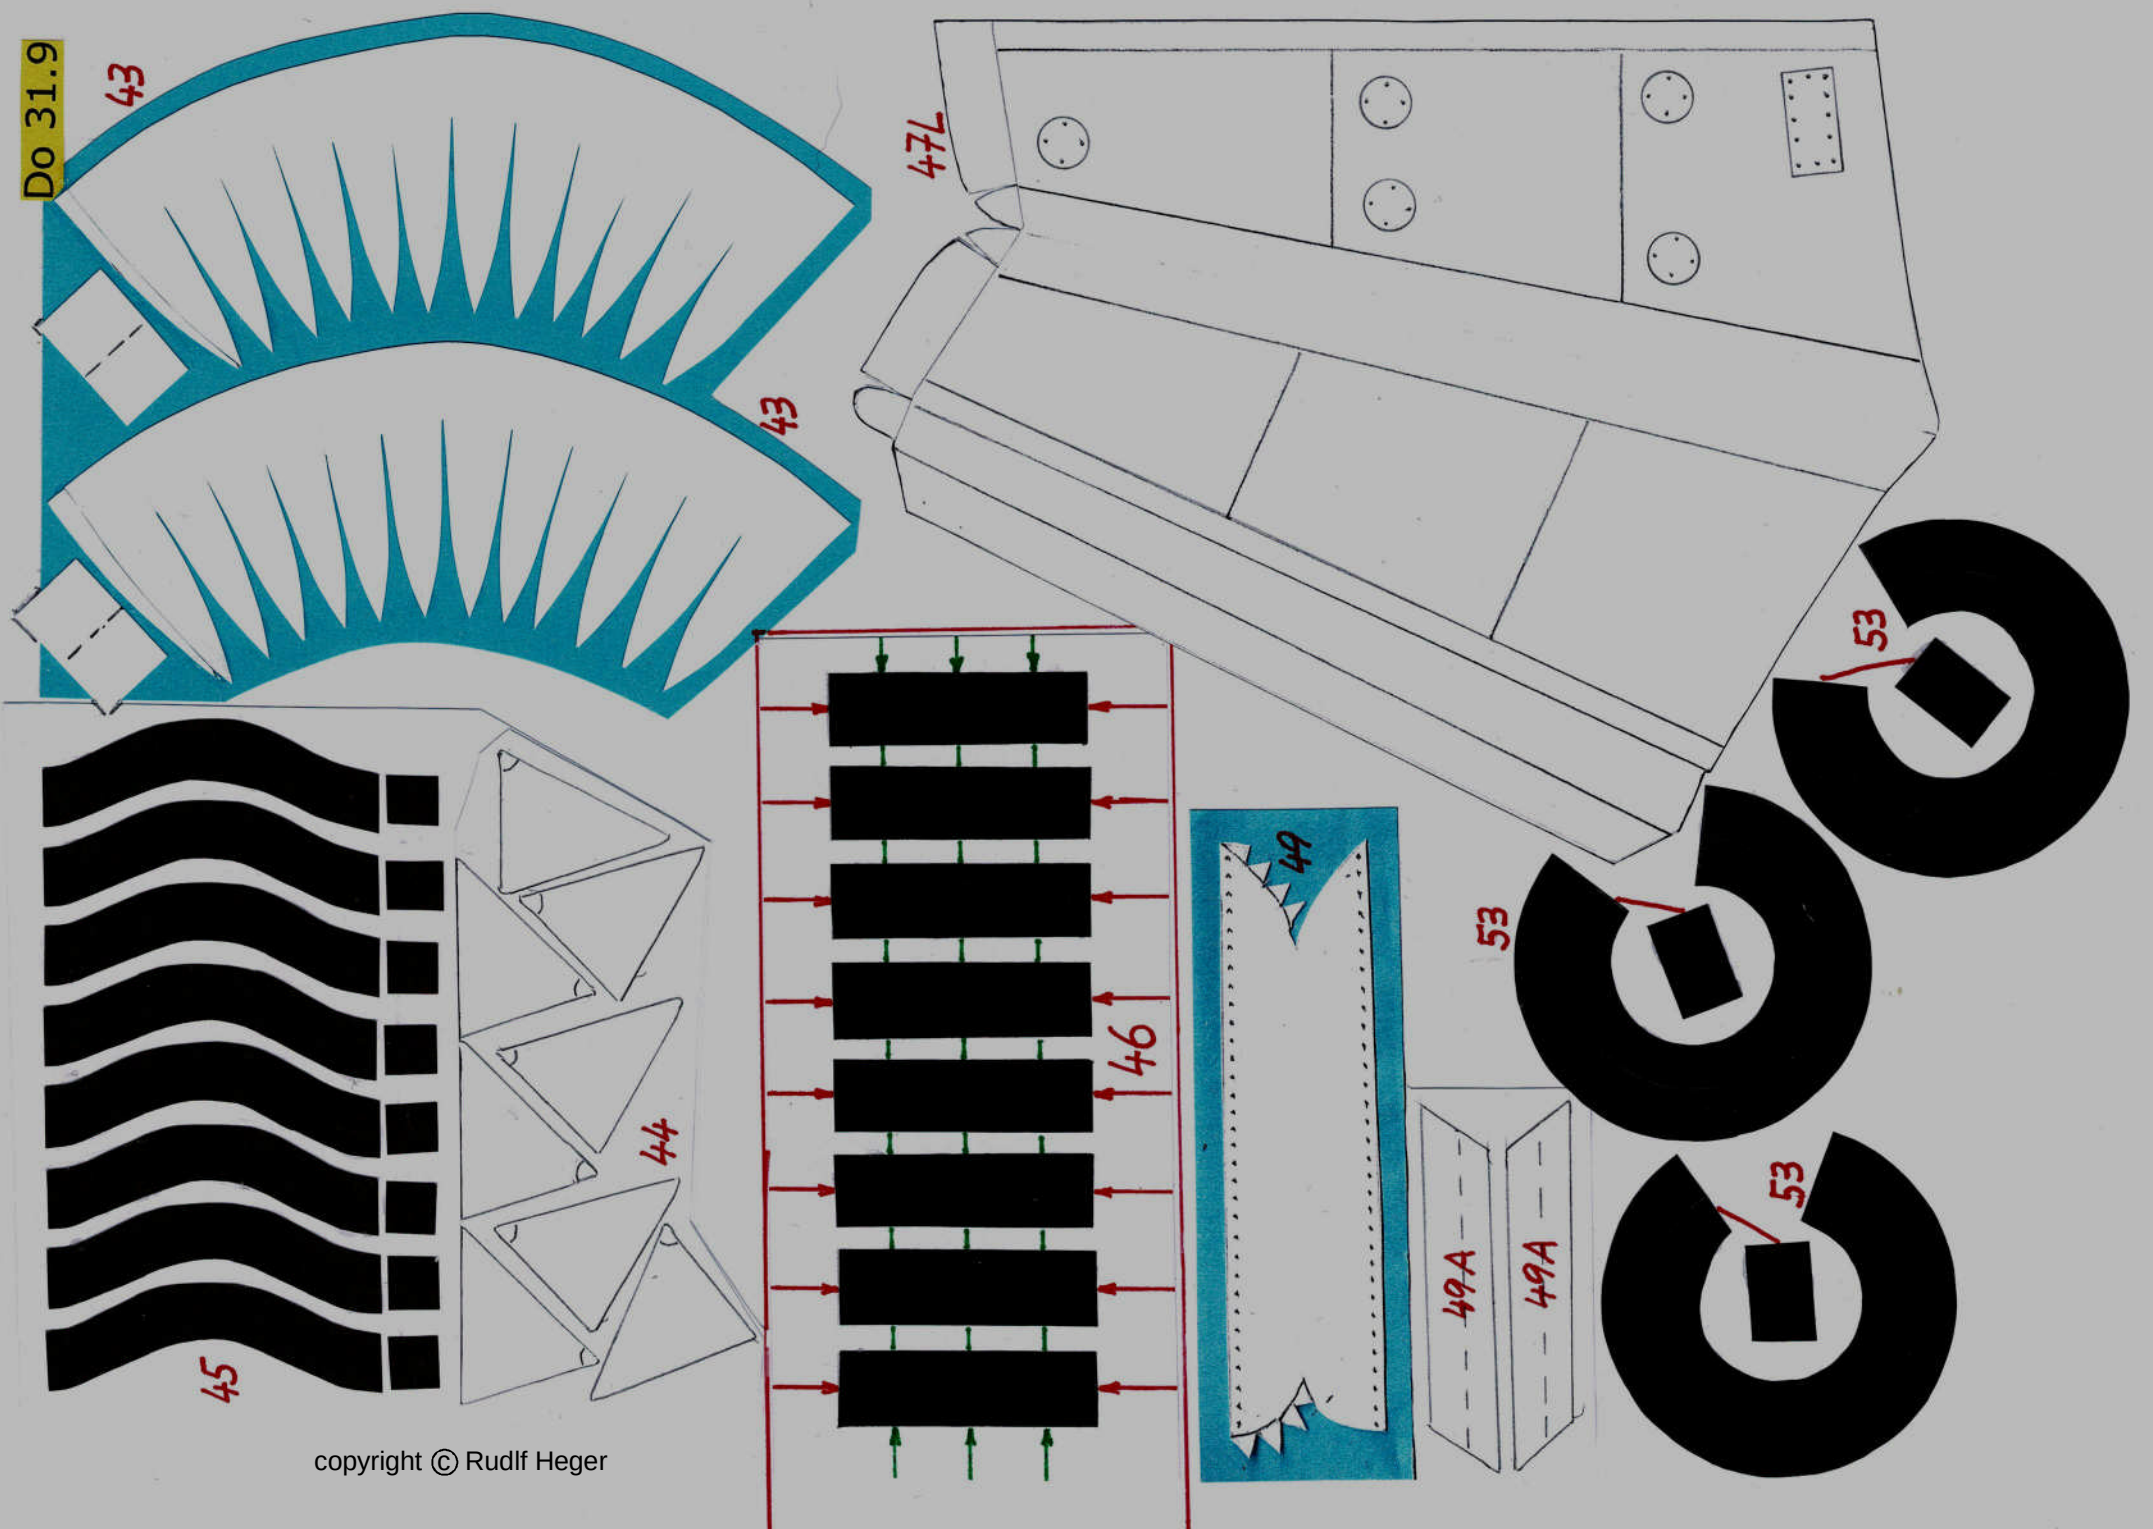

This image displays a variety of 3D puzzle components. The largest pieces are two rectangular panels, labeled 47R and 48R, which feature a grid of circular holes and a small rectangular slot. Other pieces include a circular ring (53), a trapezoidal piece (52) with a dotted pattern, and several smaller rectangular and L-shaped pieces (50, 51, 55). Red arrows indicate the assembly direction for several pieces, such as 50, 51, 52, and 55. A copyright notice for Rudolf Heger is visible at the bottom.
